

NEWMERELLA PRIMARY SCHOOL

HOMework POLICY

PURPOSE

To outline to our school community the Department's and Newmerella Primary School policy requirements relating to homework.

SCOPE

This policy applies to students in all year levels and staff responsible for setting and monitoring homework at Newmerella Primary School.

RATIONALE

Homework can benefit students by complementing classroom learning, fostering good study habits and providing an opportunity for students to be responsible for their own learning. Homework or Previewing is seen as a beneficial activity when directly related to classroom learning. It enables parents/guardians to develop an awareness of classroom practice and expectations and allows them to be actively involved in their child's learning.

DEFINITIONS

Homework is tasks assigned to students by teachers that are meant to be carried out during non-school hours.

POLICY

At Newmerella Primary School all homework set by teachers will aim to be:

- purposeful
- curriculum-aligned
- appropriate to students' skill level and age
- designed to help students develop as independent learners
- monitored by the teacher
- where appropriate, provide opportunities for parents/carers to partner in their child's learning.

The types of homework that teachers at Newmerella Primary School will include are:

- completing consolidation exercises for mathematics
- completing science investigation exercises
- making or designing an artwork
- practising spelling words
- practising sports skills
- practising words/phrases learnt in a language other than English
- reading background material for a subject
- reading English texts prior to class discussion
- reading for pleasure
- researching topics associated with set class work
- revising/preparing for tests
- applying new skills to home context such as:

- planning and cooking food, including following a recipe
- reviewing their favourite film or book
- writing a diary entry
- engaging with parents in learning activities such as:
 - rehearsing a presentation with parent/carers, and seeking their feedback
 - interviewing a family member as part of a research project.

SHARED EXPECTATIONS AND RESPONSIBILITIES

Homework is a shared responsibility between the school, teachers, students and their parents/carers. In order to get the most out of homework tasks, it is important that everyone understands their obligations and responsibilities.

Responsibilities and expectations for **leaders at Newmerella Primary School** are to:

- advise teachers, students and parents/carers of homework expectations at the beginning of the school year and provide them with access to the homework policy.

Responsibilities and expectations for **teachers at Newmerella Primary School** are to:

- set homework that is curriculum-aligned and appropriate to the student's skill level and age
- ensure homework tasks are purposeful – this means they are deliberately designed and planned to support student learning (so, they are not 'busy work' or where students 'finish off' work they did/could not complete in class)
- assess homework and provide timely and practical feedback
- ensure the amount of homework set supports a student to engage with a range of recreational, family and cultural activities outside of school hours
- offer opportunities for families to engage in their children's learning.

Responsibilities and expectations for **students** are:

- being aware of the school's homework policy
- discussing homework expectations with their parents/carers
- accepting responsibility for the completion of homework tasks within set time frames
- following up on comments made by teachers
- seeking assistance when difficulties arise
- organising their time to manage home obligations, participation in physical activity and sports, recreational and cultural activities and part-time employment (for older students).

Responsibilities and expectations for **parents/carers** are:

- ensuring there is a balance between the time spent on homework and recreational, family and cultural activities
- talking to teachers about any concerns they have about the homework
- discussing homework with their child
- in dialogue, linking homework to:
 - previous experiences the child and/or parent/carer may have had
 - family culture(s), history(ies) and language(s)
 - relevant services, clubs, associations and community.
- ensuring there is a quiet study area for their child to complete homework.

SUPPORT FOR STUDENTS AND PARENTS/CARERS

Newmerella Primary School understands that students have different learning strengths, preferences and interests and may approach learning activities and homework differently. If parents/carers are concerned their child may not understand the homework tasks that have been set or is spending a long period of time completing their homework, we encourage parents/carers to speak to their child's teacher.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website (or insert other online parent/carer/student communication method)
- Included in staff handbook/manual
- Discussed at annual staff briefings/meetings
- Included in transition and enrolment packs
